Vernacular Records, the following information is gathered on the subject of the Inam enjoyed by the Suthur Jangam Matt in the Taluk Thayur and now Nanjanged Taluk:—

(1) Copy of Sanad in Maharatti dated the 8th April 1818 (೧೮೧೮ನೇ ಇಸವಿ ಏಪ್ರಿಲ್ ತಾ ೮ನೇ ದಿವಸ) in which it is stated that one Pattadayya of Suthur village was granted 3 Varahas a month or 36 Varahas per annum for his self maintenance and of the Matt

(2) —do— in Kannada dated the 26th November 1822 (೧೮೨೨ನೇ ಇಸವಿ ನವೆಂಬರ್ ತಾ ೨೬ನೇ ದಿವಸ) which relates to the grant of a land inam of 3 Varahas as Sarvamanyam to one Basavalinga Vadayer of the Suthur Matt from the year Chitrabhanu (1823).

(3) —do— do— dated the 28th January 1823 (೧೮೨೩ನೇ ಇಸವಿ ಜನವರಿ ತಾ ೨೮ನೇ ದಿವಸ) which states that the Cash grant of ten Fanams per month enjoyed by the said Matt was discontinued from the month of Ashadha and a land inam of 20 Varahas was granted instead as Sarvamanyam.

(4) The Maultie Mugrai Nagadi Lavaganna account of the Thayur Taluk for the year Bahudanya (1818-19) shows that Pattadayya of the Suthur Jangam Matt received 36 Varahas during that year at 3 Varahas per measem on the authority of the Sanad of 8th April 1818.

(5) In the revised Mugrai Jamdidi account for

the year Vikrama (1820-21) it is stated that the Jangama Pattadayya of Suttur village was paid 12 Varahas at the rate of one Varaha per mensem. From this it will be seen that the former Cash grant of 3 Varahas per mensem was reduced to 1 Varaha in the revised tasdik during the year 1820-21.

(6) The account for the year 1826-27 gives the following particulars, viz. (a) that one Ayya of the Suttur Jangam mate was in enjoyment of 36 Varahas per annum on the authority of the Sanad of the 8th April 1818 (b) this grant was reduced by 24 Varahas in the year Vikrama 1820 thus allowing him only 12 Varahas per annum (c) and the said cash grant was discontinued and a land inam of 20 Varahas per annum was granted on the authority of the Nirup dated the 28th January 1823.

(7) The Jari Shanthi Patti prepared up to the end of October 1833, shows that the Mahantha Vadayer of the Suttur Matty was enjoying an Inam of 23 Varahas of which 18 Varahas 5 1/4 Jamans of land inams in the Suttur village viz. 3 Varahas of land inam as per Nirup of the 26th November 1802, 15 Varahas, 5 1/4 Jamans of land inam as per Nirup of the 28th January 1823 and 4 Varahas 43/47 Jamans of land inam in Kuppavalli village on the authority of the same Nirup.

(8) The Jain Inamdar Goshwara Accounts for the year 1835-36, mention that the land inam of 20 Varahas which was in the enjoyment of one Mahanthu Vadayar of the Sattur Mutt in the Hagar Taluk, was resumed by Govt under the orders of the Superintendent of the Ashtagram Division, dated the 30th October 1835.

I From the above and the Vasul Baki Accounts of the years 1817-18 and 1820-21, it will be seen that the Sattur Mutt was enjoying a Cash grant of 3 Varahas from the 4th Bahula of the month Chittra in the year Bahudanya (24-4-1818) up to the end of Magha in the year Vikrama (1820) and at the rate of one Varaha per mensem according to the revised Jasdi from the month of Phalguna in the year Vikrama (1820) up to the end of Jeshta in the year Chitrabhanu (1823) when, this was ordered to be discontinued and a land inam of 20 Varahas per annum was endowed from the month of Ashadha as per mirasi of the 28th January 1823 in addition to the land inam of 3 Varahas already granted to one Basavaling a Vadayar of the same mutt according to the mirasi of the 26th November 1822, thus allowing the mutt to enjoy 23 Varahas of land inam up to October 1835.

2 In the present case there is a definite order of resumption by a competent authority for presumably good reason though the exact nature of it is not ascertainable. This order has been acquiesced in for nearly 80 years and it is now sought to reopen the whole matter on a supposed acceptance of complaint without sufficient cause or without adequate compensation to the suffering party. The allegation of a complaint from the raiyats is not borne out by the available papers.

The precedent of the Kambalu matter is not quite applicable in the present case. In that case the grant was simply dropped and the matter remained where it was. The latter reason does not.

Sir,

I have the honor to state that Sivaratri Swamigalu of Suttur Matt in the Nanjangud Taluk has put in an application to the Sub Divisional Officer of Nanjangud stating that certain Inams were endowed to the Matt by His Highness the late Maharaja of Mysore as per Sanad now produced by him and that as he was a minor he cannot say why his predecessor

did not press his claim during the Inam
Settlement to have the Inam Confirmed
to the Matt, that the Sanads etc were
discovered by him recently among the
old records and prays that the Inam
lands may be restored to the Matt
as per Sanad.

No references, it is reported, could be
traced in the T. Narasipur and Nan
-jangud Taluks to show till what date
this institution was in receipt of the
Cash or land Inam detailed in the Sanad.

The Sub Division Officer after making
necessary enquiry and looking into the
records has reported that the Matt is
a respectable one, that the Swami is
a learned man and that charities are
being Conducted, and recommends that
this is a fit Case for taking action for
the restoration of the lands for the up-keep
of the Matt as per Sanad. I know
the Swami and agree in the views of

The Sub Division

As the Matt is a respectable one with an educated Swami at its head I request that Government may follow-ing the decision as regards the Kambalu Matt at Sivaganga (vide Government order No. 2347-9 dated 23rd December 1904) be pleased to order the restoration of the Inam or the sanction of a new Cash grant. The request of the present head of the Matt is to have Sirkar lands now in the Matt's holding converted into inam so as to grant to the Matt an income of 20 Varahas as inam, as-per old samud.

Govt observe that in the
present case, there is a definite
order of resumption by
a competent authority for
presumably good reason
though the exact nature
of it is not ascertainable.
This order has been acquiesced
in for nearly 80 years and
it is now sought to reopen

The precedent of the Kambalee matt is not quite applicable in the present case. In that case the grant was simply dropped and the matt's requirements were more than its income. In the present case there has been a definite and applicable in the case of resumption ~~Sathur matt.~~

For the foregoing reasons, the Govt. regret that the ~~application is rejected~~ dismissed are unable to accept the D.C. Commr's recommendation and do found the prayer of the Swamiji
